PRESIDENT'S MESSAGE

Ed Bice

I was one of four interested NARFE members who met on February 12th with newly elected Congressman John Sarbanes of the Third Congressional District and his staff at his Towson office. District Three includes the Crofton area. Federation President Dick Strombotne headed our delegation as an overview of the Federation's organization and aims were presented. The main part of the forty-five minute meeting was a briefing and discussion of premium conversion and the government pension offset and the windfall provisions of Social Security.

Want to feel part of the chapter? Want something new and different to do? Try joining something you haven't done before! Work on a committee, attend state legislature hearings, make telephone calls, or help bring non-drivers to meetings. Contact one of the officers listed on page 4.

FEDERAL LEGISLATION

Paul Schuette

Bills again have been introduced in Congress to repeal the Social Security Act's Government Pension Offset (GPO) and Windfall Elimination Provision (WEP).

NARFE has long sought to get rid of these two provisions which arbitrarily reduce social security benefits of hundreds of thousands of federal, state and local government retirees and survivors.

The WEP penalizes government retirees receiving annuities based on their own earnings. For individuals who became eligible for annuities after 1985, social security checks are reduced as much as 60 percent.

The GPO stipulates that two-thirds of a government annuity offsets whatever social security benefits would be payable to a retired government worker as a spouse (wife, husband, widow, widower).

As the chapter's federal legislation chair, I have faxed letters to Senators Barbara Mikulski and Ben Cardin and to Representatives Steny Hoyer, John Sarbanes and Albert Wynn asking them to join as co-sponsors and to support enactment of S. 206 and H.R. 82. But one letter is...well, just one sheet of paper. Let's all pitch in.

Fax a note or phone both senators and whichever House member is your representative to ask for their support. Be sure to mention the bill numbers (S. 206 in the Senate and H.R. 82 in the House) so they'll know you mean business.

Phone and fax numbers are listed elsewhere in this issue under the heading Important Federal Contacts.

Continued on page 2

If you aren't sure in which Congressional district you live (3rd, 4th or 5th) give me a call at 301-262-0975.

It's especially important to introduce Rep. John Sarbanes to NARFE's legislative goals. He started his first term in the House in January and it would be well to let him know that some 240 members of our chapter are among his 3rd District constituents.

As of mid-February, H.B. 82 introduced by Rep. Howard Berman had 182 co-sponsors but none of our three Congressmen were among them. S. 206, introduced by Sen. Dianne Feinstein, had nine co-sponsors, but Senators Mikulski and Cardin were not among them. Let's bug 'em.

STATE LEGISLATION

Ed Bice

Three bills have been introduced on the equalization of the special exemption for age 65+. S.B. 183 was heard before the Senate Budget and Taxation Committee on February 7. H.B. 37 was heard before the House Ways and Means Committee on February 15. S.B. 580 is waiting for a hearing date.

For the first time groups other than NARFE supported our position on this legislation and appeared at the hearings. The supporting coalition members were AARP, United Seniors of Maryland, Maryland Retired School Personnel Association and the Black Troopers Association of Maryland.

PROGRAMS

Barbara Wheatley

Our March program will be Dan Dunne and Jeff Bowers giving a presentation on the options for Assisted Living. We have had requests for this kind of program and, hopefully, we will get all of our questions answered.

Sorry about the weather for our February program. We are trying to get Mr. Thompson in for our April program. This is not too late in the season for the type of program he has planned for us.

MARYLAND FEDERATION STATE CONVENTION

May 20-23, 2007

NARFE RETIREE HEALTH CARE TAX RELIEF BILL UNVEILED

NARFE announced that Rep. Tom Davis (R-VA), introduced legislation allowing federal and military retirees to pay their health insurance premiums with pre-tax compensation. The bill, H.R. 1110, would amend the tax code to allow Federal civilian and military retirees—as well as active duty military employees—to pay their health insurance premiums on a pre-tax basis, as active federal civilian employees can already do. This premium conversion would provide the typical federal retiree with hundreds of dollars in annual savings. An identical bill, also introduced by Davis, collected 340 cosponsors, but died in the 109th Congress.

Under this legislation, the amount retirees pay for their share of health insurance premiums would be subtracted from the amount of their income reported to the Internal Revenue Service. The income tax paid by retirees would be lower because their taxable income would be lower. Federal and military retirees would not be required to take any further action under this legislation since their reported income would automatically result in lower income tax.

NARFE President Margaret Baptiste said "I am happy to give the National Active and Retired Federal Employees Association's (NARFE) strongest endorsement to the bill." Please inform your congressional contacts of your support for this bill. (*See Important Federal Contacts Box on page 3 for your local Senators' and Representatives' addresses.*)
