### PRESIDENT'S MESSAGE

*Ed Bice*

Twelve chapter members were present at the **Bowie Arbor Day Celebration** on Saturday, April 14. A tree and plaque were dedicated in memory of our late member Jonas Bassen. I thank all who attended. (It was a terrific showing!)

**Chapter elections** will take place at the general membership meeting on May 17. There is still time for you to come forward and support your chapter by running for an office or serving on a committee. Put your hat in the ring by contacting Frances Steburg, Nomination Committee chair at 301-352-0927. Nominations will be accepted from the floor during the election process at our May meeting. Please be at the meeting to cast your vote.

May and June are very busy months for the Chapter. Members are needed to participate in the **Memorial Day Parade** in Bowie on Saturday, May 26, and at **Bowiefest** on Saturday, June 2. Everyone who was at either event last year told me they had a great time. I hope for an even better time at both events this year. Please call me and become part of the team. The Chapter has purchased a banner for these and other coming events.

We will hold our **Installation Luncheon** at Kaufmann's Restaurant in Gambrills on June 21. The luncheon will be held in Kaufmann's Garden Room, located at the back of the building. The room, which holds up to one hundred people, has it's own entrance and parking with no stairs to navigate. Check the menu and details on page three of this issue and sign up at the May meeting. Dick Strombotne, Maryland Federation president will install our new officers, and will speak about the Federation and it's future.

### FEDERAL LEGISLATION

*Paul Schuette*

Those of you who use the internet should be aware that the NARFE web site offers easy access to the latest information on legislation important to federal

*Continued on page 2*

workers and retirees. And if you want to dip your own oar into the federal legislative waters (as you should), the site makes it easy as well to get a message to your Senators and/or House member. Here's a rundown on how you can use the site to start lobbying on Capitol Hill:

On your own computer or a public-access computer at the library or other facility, go to [www.narfe.org](http://www.narfe.org) to open up the national organization's web site. Sign in as a member by entering your last name and membership number in the boxes indicated. Once you are signed in, put the pointer on the "Special Section" box at the top of the page, which brings up a menu that includes the "Legislative Action Center."

Click on the Action Center to bring up the latest information on NARFE legislation along with a box labeled "Take Action." Click on that to bring up a page with a sample message you can send and step by step directions on how to do it. In addition to "Take Action," there's also a box where you can enter your zip code to "Find Your Officials." That will bring up a lineup of the President, our Maryland Senators and the House member that matches your zip code.

Clicking on "Info" below the photo of a Senator or House member will bring up contact and other information, including "Cosponsorship Status" on NARFE's bills. Click on that and you will get a rundown on where the member stands on our legislation and an easy procedure for sending a message via letter or e-mail.

If you haven't used the NARFE web site before, the steps above should at least get you started. In addition to reporting on the status of pending legislation, the NARFE site offers a wealth of information on other topics important to current or retired feds. Try it. You may like it.

## STATE LEGISLATION

*Ed Bice*

The 2007 session of the Maryland General Assembly has ended. There is no good news to report as our top three priorities received no favorable action. The main focus in this session was on education; an additional \$680 million allocated under the Thornton plan and another \$400 million added for school construction. Tuition rates were frozen at state colleges for the next year.

The State Legislative Committee (SLC) of the Maryland Federation hopes that the Federation President will quickly designate a new SLC chairperson. For most of this session, the committee has been guided by an acting chairperson.

## PROGRAMS

*Barbara Wheatley*

AAA Antique Mall owners will be presenters at our May meeting. All members are asked to bring an antique, or something of sentimental value, or a picture of your antique to be appraised. This program was given at a NARFE meeting before I joined the group and was a complete success. Let's make this one as much fun as the last time. Bring a friend. There will be a short presentation; after that, the owners will have an hour to look at individual members' antiques.

Have some idea of the history of the piece—how long it has been in your family, where it came from, any trade or other identifying marks, and its condition.

Bring only one object. A place setting from a silver pattern or several photos of a piece of furniture, are actually one item. Please do not expect multiple pieces to be appraised.

## MEMBERSHIP

*Dorothy Campbell*

Everyone is probably aware of two of the 3 R's of membership: **Recruitment** and **Retention**—but there's a third that's equally important: **Reinstatement**. Nearly every month, the NARFE national office advises us that 1–4 members who were dropped for non-payment of dues have been reinstated—and we're very pleased they're back.

Chapter 1747 welcomes back every reinstated member by letter and asks them to take an active part in the chapter. We believe that there is a something for everyone in NARFE Chapter 1747: A role to play. A position to hold. A meeting of special interest. A special event that's fun, entertaining and/or informative. A unique opportunity to work toward our common goals as federal retirees or current federal employees, or for our common interests as "seniors."

If you know someone who "used to be a NARFE member," encourage them to come back to NARFE. Remind them that **NARFE needs them and they need NARFE**.
