PRESIDENT'S MESSAGE

Ed Bice

This month is a good time to make sure our membership is aware of the chapter's weather policy. Chapter meetings are cancelled when Prince George's County schools are closed due to inclement weather. Otherwise, meetings are held as scheduled.

The chapter received a holiday card from Kathleen Basquill. She lives in Northern Virginia with her son. She is a charter and honorary member of our chapter. She misses seeing all of us and extends wishes for a Happy New Year.

Dorothy Bice has volunteered to be our 50/50 person at general membership meetings. Please stop by to see her smiling face and purchase tickets.

Our program/speaker schedule is developed during the summer months. The chapter needs some members to come forth and be on a program committee. Perhaps you belong to other organizations

where you have heard interesting programs which would be of benefit to our group. Please call me so we can talk.

NARFE Region II Symposium will be held on March 18 and 19. The Symposium will be held for Region II at Gettysburg, Pennsylvania. Contact me to obtain detailed information about this first ever event.

FEDERAL LEGISLATION

Paul Schuette

Two provisions of Social Security that reduce the benefits of nearly one million retirees nationwide were among the issues considered by a House

Ways and Means subcommittee at a public hearing Jan. 16.

NARFE has long sought repeal of the Government Pension Offset and the Windfall Elimination Provision because they reduce social security benefits earned by federal retirees.

The Subcommittee on Social Security, chaired by Rep. Michael R. McNulty (D-NY), heard a series of witnesses discuss the impact of GPO, the WEP and other provisions that impact on retirees.

A NARFE member, Frances Rosenfield, testifying for the National Association of Postmasters, told the subcommittee that because of the GPO provision, the social security survivor benefit earned by her late husband was offset by her postal annuity.

More than 70 percent of the 400,000 social security beneficiaries affected by the GPO are women, many of them widows in lower income brackets.

Legislation to repeal both the GPO and WEP has 336 cosponsors in the House, but the bill (H.R. 82) has to get to the floor to make that support count.

Those cosponsors include two of the three House members representing Chapter 1747 members, Reps. John Sarbanes (3rd District) and Albert Wynn (4th District), but the list does not include Rep. Steny Hoyer (5th District), the House majority leader.

Chapter members should get on the phone to remind Hoyer that we need his help to get H.R. 82 approved by the House. His number is 202-225-4131.

STATE LEGISLATION

Bill Ferguson, Maryland Federal-State Legislation Chair

OUCH! The results of the Special Session of the General Assembly exceeded my worst predictions. Not only did we not achieve any of our legislative goals but you will end up spending more money for goods and necessary services; the gap between our senior income tax deduction and the additional deduction afforded to seniors who declare themselves as supporting senior dependent(s) will widen; and, depending on your Federal Adjusted Gross Income (AGI), you will pay more state income tax.

Your State Legislative Committee (SLC) was pleased that at least a few chapters responded to our calls for letters, emails and phone calls. So, recognizing that the Federation membership values its time, we are establishing a political action group—MDPAC—and we are asking you to donate money rather than time. We know that we can't compete on a level of the corps of high-

priced lobbyists roaming the halls of the State House. But we believe that a combination of your recorded participation in the electoral process plus the ability to provide some financial support to legislators willing to support our attempts to undo the damage done in the Special Session, could mitigate the financial hit you are going to take in fiscal year 2008. So, help yourself and help us help you by making a \$25 dollar contribution to MDPAC. Think of your MDPAC contribution as an investment, which might pay dividends equal to or greater than the amount of your contribution.

If you feel that you cannot afford \$25 dollars then give what you can but PLEASE GIVE. Send your checks to MDPAC in care of Dave Roseman, 6 Thornburn RD., Gaithersburg, MD 20878-2611.

Recruitment: 2008's Priority for Us All

I know, I know. You're reading this and saying to yourself, "There she goes again, asking me to help the chapter get new retiree members." And you're right! I am.

There are limited ways to reach out to already-retired federal employees—and we think we're doing them all now. We notify the news media about our meetings (unfortunately there's no guarantee they'll publish our meeting notices). We post meeting notice posters on bulletin boards in community buildings, senior centers, libraries and supermarkets. We regularly recruit via "information tables" at community events (last year at Bowie's Senior Center, Bowiefest and Odenton Day). We get publicity and make ourselves known by taking part in community activities (last year we had contingents in Bowie and Crofton parades and took part in other Bowie events). And we make it obvious who we are, using chapter banners we purchased last year. And I preach "recruitment" at every membership meeting.

Whenever your officers attend MD Federation meetings, we learn that our chapter's outreach efforts go far beyond those of other chapters. Yes, that makes us feel good, but it's obviously not enough if we're still not able to gain more new members from the ranks of the already retired. Even on the new-member list in this paper, six of them are current federal employees who cannot attend activities held during their work hours.

So—exactly what am I asking of you? Two things: First, open your old address book and contact former work associates who are now retired and ask them to join NARFE if they haven't already (note that one-on-one

recruiting is far more effective than wholesale recruiting). Invite them to a chapter meeting if they're skeptical. And if they join, everyone benefits; even you, since you'll get \$8 for each new member you sign up! Second, if you think of any other ways to reach out to NARFE-eligible retirees, please let me know and we'll try them.

Finally, if you agree that recruitment and participation are the keys to an even greater chapter than we have now—volunteer to help out. We always need more members for special projects and on committees.

CONDOLENCES

The following Chapter member passed away recently. Our prayers and sympathy go to his family and friends.

RECRUITMENT / RETENTION CONTEST

NEW! Recruitment/Retention Contest

National NARFE has just announced a special rewards program for chapters--in which it will award cash prizes to chapters in two categories--**Recruitment and Retention**--to those that sign up the most new members and to those that are the most successful at retaining current ones. In each of the two categories, the first place winner will receive \$500; the second place winner will receive \$300. The winning chapters will receive special recognition and their prize money at the 2008 National Convention.

The contest ends on June 30, 2008. **If everyone in Chapter 1747 starts to recruit new members now, and if every current Chapter 1747 member keeps his/her dues current--we stand a good chance of winning one of the prizes.**

Our chapter currently has a "pretty good" recruitment/retention record--but now let's all work together

to make it an "award-winning" record! Contact me today for more information and membership forms (see page 4) or get the forms on-line at our website: www.NARFE1747.org.
