### PRESIDENT'S MESSAGE

*Dorothy Campbell*

#### 2010: A Busy Chapter Year

While last month's message urged greater membership participation in NARFE national, regional and federation (state) activities, this month I'm focusing on some chapter activities which will take place later this year — when our record-shattering snows have finally disappeared.

Several of these activities are community-based, and have made our Chapter more visible and much better known to a large number of residents, some of whom may be potential chapter members. The activities include Bowie's highly popular Memorial Day Parade and Crofton's Armed Forces Day Parade, both of which take place every May. At both parades red-, white- and

blue-clad chapter activists, proudly carrying the chapter's banner, will again lead our contingent which includes more walkers, a bike-rider and 2 – 3 gaily decorated cars.

In June, once again chapter representatives will staff an information/recruitment booth at Bowiefest, bringing our organization's name and message to the great number of people who attend this popular annual event. Each year we distribute NARFE information, and obtain names and addresses of eligible members, whom we later contact. This effort will be repeated on a smaller scale in Odenton in October, at that community's annual fair. In addition, we take part in any and all other activities we hear about in the communities covered by the chapter. And while we're primarily using these opportunities to publicize NARFE and recruit members, we're enhancing our prominence in the community. And don't just take my word that the parades and fairs are fun; those who have participated in them in past years have all enjoyed themselves and tend to volunteer again and again.

But, as always, these are activities that could use even more volunteers. As each of these events approaches, you'll find more information about it in our newsletter and on our website (which you can use to volunteer).

#### Legislative Voluntarism Literally Pays

Speaking of volunteering, the Maryland Federation is now reimbursing NARFE members who have paid the \$5 parking fee at the Navy Stadium in Annapolis when they attend legislative hearings in Annapolis! Under a new program, the Federation will refund the \$5 fee to those who submit their parking receipt. And

NARFE's National Vice President **Joseph A. Beaudoin**

and MD-Federation President **Ted Jensen**

will speak at our March 18 general meeting.

there's also a bonus for chapters; whenever three or more chapter members/guests attend a legislative hearing in Annapolis, the chapter receives \$35 for its treasury!

I'm happy to announce that our chapter gained \$35 last month because four members went to Annapolis on February 4! Then, because six chapter members attended a February 16 hearing, we gained another \$35. Thanks to these volunteers, our chapter was well represented in Annapolis and was even financially rewarded.

### Chapter to Celebrate Its 30th Anniversary

On May 6, Chapter 1747 will turn 30. In honor of the occasion, the chapter's executive board is discussing marking this milestone either at our May 20 membership meeting or at our June 17 picnic. If you have any celebration suggestions, please let me know. One project being considered is a special recruitment contest; its goal would be to increase our membership by at least 30 new members before the end of May. The chapter member who signs up the most new members would win a prize that would be awarded at our September 16th meeting. More on this next month.

## FEDERAL LEGISLATION

*Joseph Young*

Budgets and Medicare Premiums are once again the major legislative items of interest for NARFE, while both the House and Senate are in recess during the week of Presidents' Day.

### Budget: Committees and Commission

Released February 1, 2010 the Obama Administration's budget blueprint for fiscal year (FY) 2011 did not recommend any reductions in the earned retirement and health security of federal annuitants and workers. The next steps are House and Senate budget resolutions which begin in the respective Budget Committees. Budget Committee members and chairs and congressional leaders will jockey among themselves while a new entrant, a Bipartisan Fiscal Commission, will soon be established by an Executive Order. C-SPAN and the Budget Committee web sites will provide gavel-to-gavel coverage. (A NARFE press release on the President's budget is available on NARFE web site ([www.narfe.org](http://www.narfe.org) at <http://www.narfe.org/departments/home/articles.cfm?ID=2014>).

### Medicare Part B Premium Fairness

Federal, state and local government retirees who are not eligible to receive Social Security have seen their Medicare Part B premiums jump from \$96.40 per month to \$110.50 in 2010. Current law protects ("holds harmless") most other beneficiaries from a Part B rate hike when there is no Social Security cost of living adjustment (COLA). On

September 24th, the House passed H.R. 3631, the Medicare Premium Fairness Act, which would protect over 1 million federal, state and local government retirees from the Part B premium increase in 2010. The Senate needs to approve this needed legislation, too. If you are not among the 9,519 NARFE e-activists who have already used the Legislative Action Center, tell your Senators to pass H.R. 3631. NARFE President Margaret L. Baptiste urges each member to do that by sending them an e-mail through the Legislative Action Center (using the following link: <http://capwiz.com/narfe/issues/alert/?alertid=14260196>).

## STATE LEGISLATION

*Ed Bice*

The Senate and House of the General Assembly have started bill hearings. Our two bills on the equalization issue are SB-190 and HB-658. Both are titled Senior Tax Relief Act. The hearing on HB-382 titled Income Tax-Credit for LTC Premiums was heard on February 4. SB-460 is the companion bill in the Senate. Five members of NARFE testified in support of HB-382. Delegate Krebs has introduced HB-238, HB-300 and HB-366 dealing with state property tax relief. These bills are supported by NARFE. The fourth priority issue is uniform durable power of attorney; SB-309 and HB-483 have been introduced on that subject.

You can help the State Legislative Committee by telling your senator and delegates that you support the above bills. They need to hear from you. It's an election year. You can help by going to Annapolis and being at the hearings to support NARFE priority issues. They need to see you. It's an election year.

The Maryland General Assembly web site address is [mlis.state.md.us](http://mlis.state.md.us) and has information about bills and status, hearing schedule, roster and list of committees and how to contact or find a legislator.

## PROGRAMS

*Howard Dobson*

Tax preparer Diane Polangin discussed Federal Income Tax Issues at our January meeting. She provided explanatory materials and she answered questions. This information will assist us in filing our income tax returns.

We are honored that two NARFE leaders stepped in to replace our scheduled speaker who had to cancel his appearance. See the box on page 1 for more information about them.

Mr. Bart Goldstein of Downsize Inc. will give us tips on managing our possessions in a more efficient manner at our April meeting. He will advise us on living with less space if we decide to move or on finding more living space in our present homes.

## WELCOME NEW MEMBERS

In a welcome change, the membership report for the month of January brought us more new members than members dropped for nonpayment of dues. National NARFE's report also listed two members who transferred from another chapter and five who paid-up their dues and were reinstated. Let's hope this upward trend continues.
